

2024

We exist
to see people
transformed
by Jesus.

Adventfun!

Quick Start Guide:

1. Prayerfully consider your current comfort level: "I'm new to this" or "I got this." Choose one action item for each week, add them to your calendar, and witness community blossom!
2. Don't forget to record any cool stories/takeaways on the back of this card.
3. Now that you're feeling like a "pro," return this card to the info center on Christmas Day for a chance to win a "Hospitality Starter Kit" for your next gathering!

Advent Services:

Wednesday | December 4, 11, 18 | 6:30 PM

Sunday | December 22 | 8:45 & 11:15 AM

hope

- L1: Angel Tree: There is a tree in the lobby with gift ideas. Each card represents a person and an opportunity for us to have a profound impact in someone's life!
- L2: Help A Neighbor: If you enjoy a challenge, drive around your neighborhood and rake some leaves, mow a lawn, or even clean a park!
Tip: make it fun and invite another family in our church to join!

peace

- L1: Candlelight Dinner: Pick a day and make a special dinner to enjoy with your family. It's not romantic; the candles are there just to level up the intentionality.
Tip: Make it fun by having some conversation starters!
- L2: Add Four More: If an intentional dinner is no big deal for you! Now is your time to level up and invite another family to your house for a meal!
Tip: Too big a leap? No problem; pick a cool restaurant instead!

joy

- L1: Christmas Parade: Invite some friends and go watch the Christmas parade together!
Tip: Find your favorite hot cocoa recipe, and you got yourself a tailgate party!
- L2: "Just One:" It's a board game! Now's your chance to invite that family you've been wanting to connect with! Our team of nerdy staff have found the perfect blend of fun but low-risk boardgames for everyone to play. Tip: Not sure, huh? No problem! Ask someone at our info center to lend you a copy of the game for your next get-together!

love

- L1: Snail Mail: "There's a rumor that you can buy these stickers at a store and put them on an envelope, and you can send a letter across the country, even the world! If you know about this, imagine sending a loved one a handwritten letter!"
- L2: Lend a Hand: If ink on your hands from writing letters under candlelight is just character; level up by putting your hands to work by volunteering at Hands of Hope. Tip: Here are 3 different dates to consider that would really serve them: (December 17, 19, & 20)
