

JUBILEE2026

Dear Victory Life Family,

Jubilee is more than an annual event on our church calendar. Over the years, it has become one of the most sacred rhythms in the life of our church — a week we set apart to celebrate all that God has done and to lean forward with hopeful expectancy toward what He is speaking for the season ahead.

As your pastors, our desire is that this week be a genuine opportunity for recalibration. To quiet the noise, return to the Lord, and gain fresh clarity around His direction for our church as a whole and for you personally. Whatever you carry into this week, our prayer is that you leave lighter, clearer, and more aligned with the heart of God.

This Integration Guide is one of the ways we want to help make that happen. We believe that what God speaks during Jubilee shouldn't stay in the room where it was heard. It should take root, bear fruit, and shape the way you live in the weeks and months that follow. The reflection prompts, sermon notes, and integration planning sections in this guide are designed to help you do exactly that: receive what God is saying, and begin to walk it out.

Last year at Jubilee, many of us received a glimpse into something. A season of acceleration that God has been inviting us into. We've sensed it since. And in the time between then and now, we've been doing everything we can to position ourselves for the move of the Holy Spirit we believe is coming. We enter this week with that same holy anticipation. This is not a moment to hold something back in reserve. This is a moment to be all in.

Use this guide however it serves you best. If you already have an active journaling practice, you may find the prompts here a useful supplement to your existing rhythms. If this is new territory, let it be a starting place, a gentle structure to help you go deeper than you've gone before. However you engage it, our hope is that the Holy Spirit would be your guide through every page. He is the one who leads us into all truth. Transformation is His work, and we trust Him with yours.

So here is our encouragement: don't hold back. Answer the call to discipleship. Recommit to the journey. We are all being transformed by Jesus, all of us together, and we are honored to walk that road with you.

Grace and Peace,

Pastors Jacob & Hannah

SPIRITUAL REFLECTION

As we step into Jubilee, take some time to intentionally pause and reflect on what is already stirring in your heart.

Allow these prompts to help guide your reflection, and write out anything you'd like to capture heading into this week:

- * It's always a good idea to start with gratitude. What are you celebrating coming into this week? What are you thanking God for? It can be large or small, but take some time to express gratitude to the Lord.
- * What have you been sensing that the Holy Spirit is speaking to you about, or inviting you to take a step towards?
- * What are you currently asking and believing God for in your life?
- * What questions or unknowns are you carrying? Where are you needing direction or clarity?
- * What do you need to release to God in order to hear and respond to His invitations to you this week?
- * What do you hope to experience at Jubilee this week?

INTEGRATION PLAN

My Integration Partner:

.....

After prayer and conversation with my integration partner, I am committing to integrating these discipleship steps after Jubilee:

.....

.....

.....

.....

I will check in with my integration partner for encouragement and accountability at this frequency (i.e. every 4 weeks):

.....

I am willing to adjust these existing rhythms or habits in order to make space and time in my schedule for integration:

.....

.....

.....

With the help of the Holy Spirit, I hope and look forward to seeing the following transformation in my life as I integrate this plan:
